Industrial PoE Switch

JETNET
Industrial Ethernet Switch

JETBOX
Industrial Communication Computer

JETCON
Industrial Media Converter

JETPORT
Industrial Serial Device Server

JETWAVE
Industrial Wireless Device

JETCARD
Industrial Multi-port Serial Card

korenix

Industrial PoE Switch

➤ JetNet 3705 Series

JetNet 3705

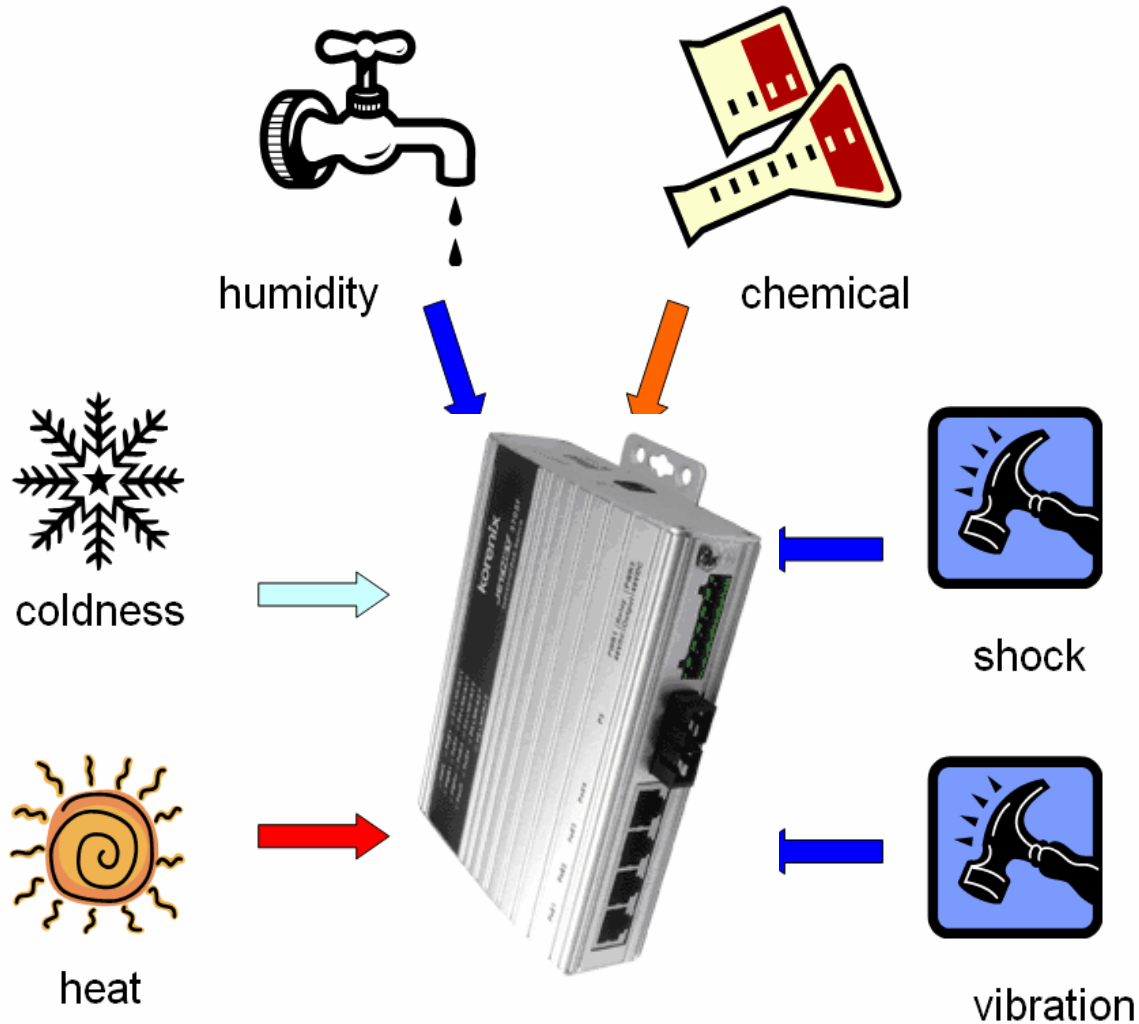

4 PoE ports + 1 Uplink TX port
Redundant Power Inputs

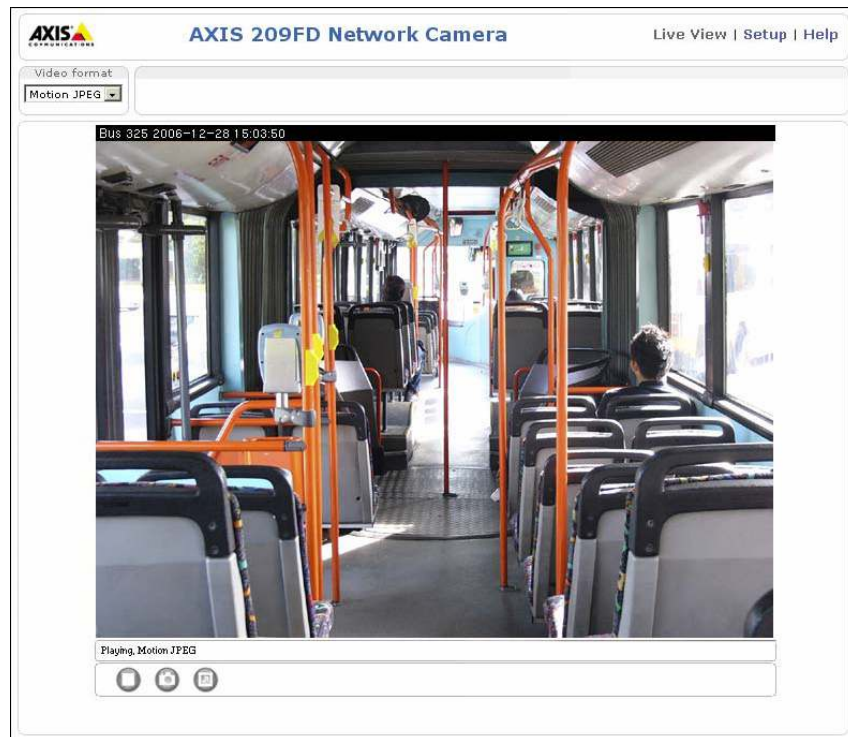

JetNet 3705f

4 PoE ports + 1 Uplink Fiber port
Redundant Power Inputs

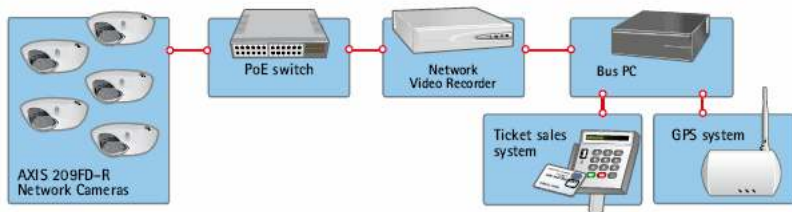

Industrial Rugged Design

BUS Surveillance

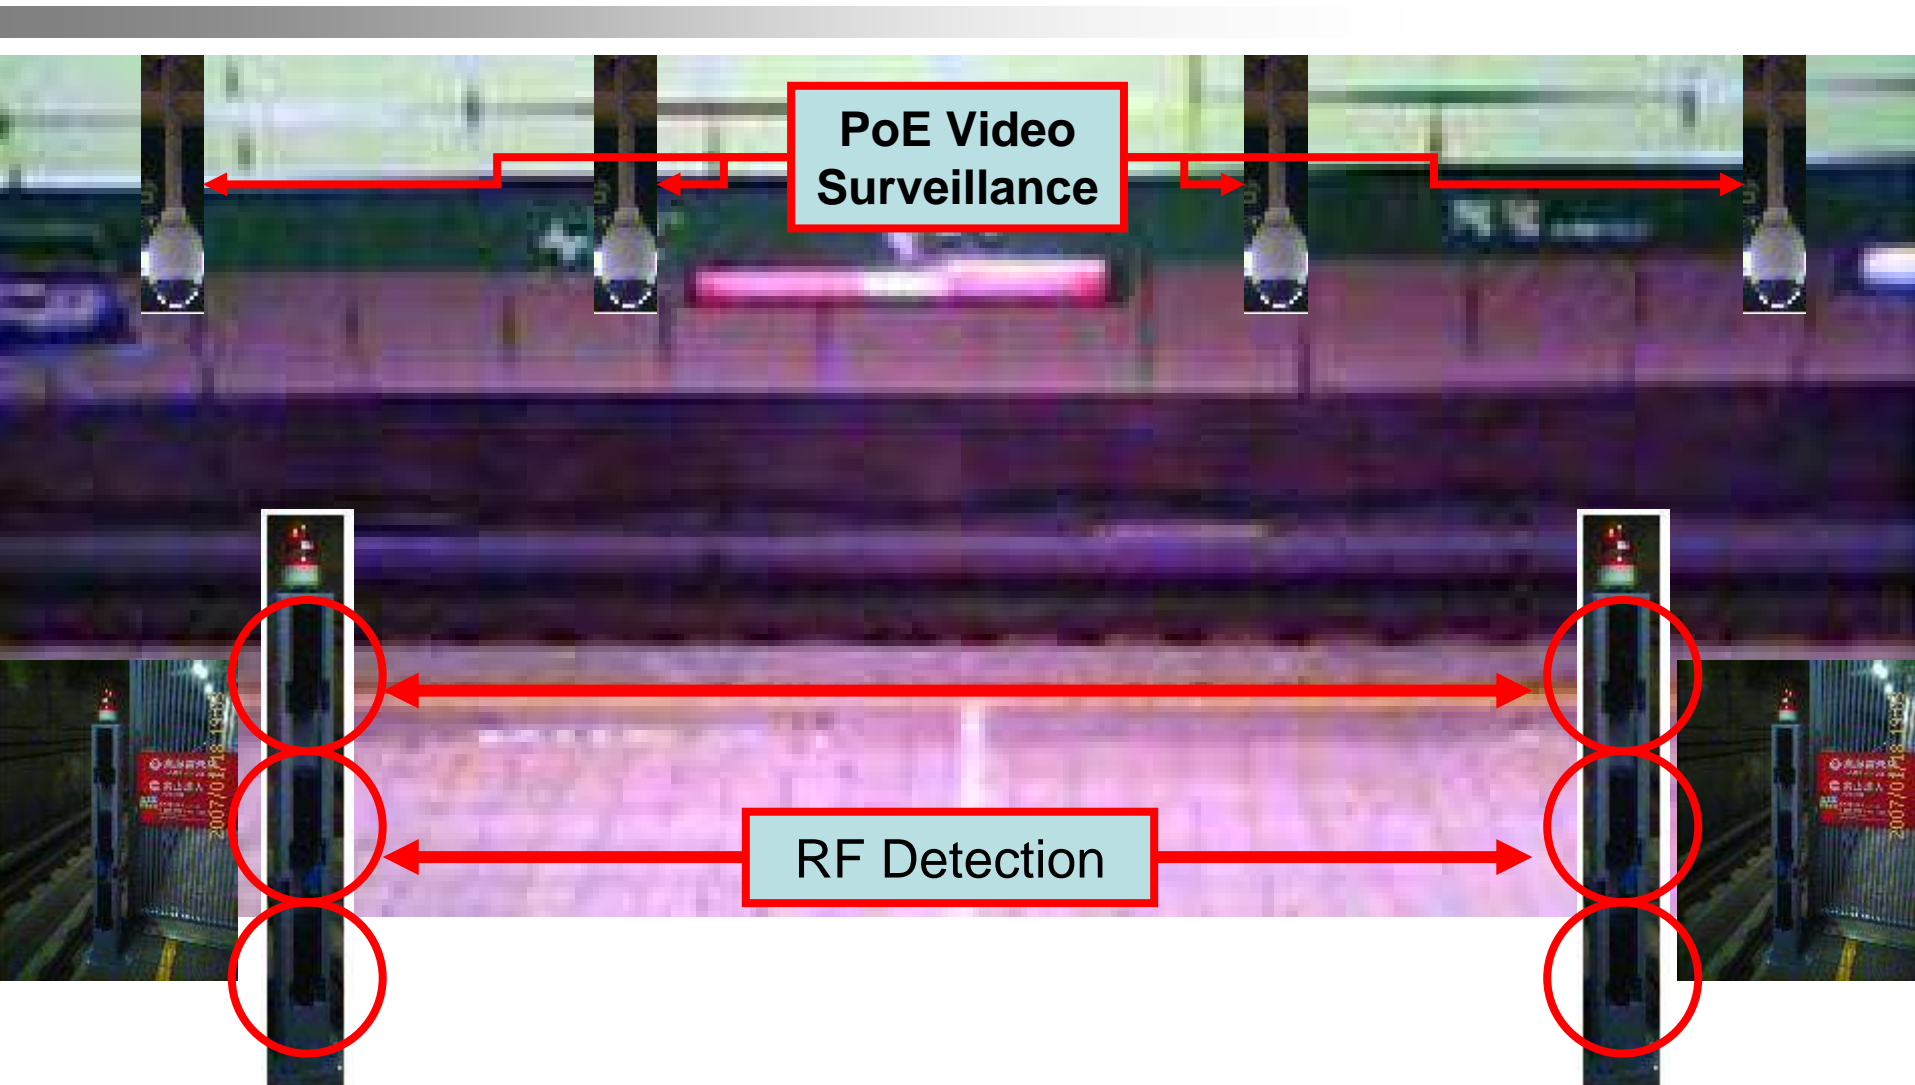

Simplify the installation by powering cameras from a PoE switch.

PoE IP Camera Video Capture

Metro Station Surveillance

Gasoline Station Surveillance

PoE Switch

PoE IP Camera

Hazardous Location

Oil Farm / Military Base Surveillance

PoE Switch

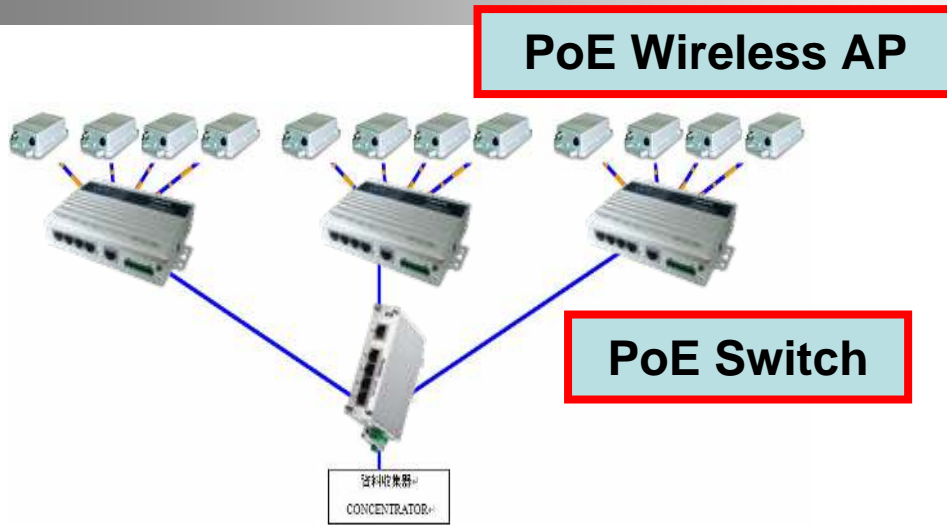

PoE IP Camera

Hazardous Location

Outdoor Wireless Access Point

Unique!

Innovation

- **Anti-Shock, Fan-less 、 Heat ， over 10-year product life**
- **Over-voltage and short protection**
- **Relay output for event alarm**
- **Fiber port for long-range communication**
- **1200V Hi-Pot protection**

Pioneer

Advantages

- **Heat Radiation Aluminum Housing**
- **Industrial Operation Temperature - 10~70°C**
- **Din-rail / Wall-mount / Desktop Installation**
- **PoE Auto-Detection**
- **Redundant Power Inputs for non-stop operation**

Korenix Industrial PoE **Human Safeguard Technology**
